Give them a book and a pencil

Browse 34 photographed products, circle a few favorites, then pause for coloring, letters, counting and holiday activities. Enjoy it together at your child's pace; there is no need to complete every page.

Turn circles into a shopping list

Every product has a permanent gift code. Scan the QR code or visit mywishbook.xyz/plan, enter the circled codes, and review the products before opening retailer links.

Check before you buy

Play scenes are original illustrations for inspiration. Product photos and links come from our existing catalog. Check manufacturer age guidance, exact model, price and availability with the retailer. Products span different ages. A circle is a wish, not a promise.
